

Surface Laptop Go 2

Fact Sheet

June 2022

Meet Surface Laptop Go 2, the next evolution of the lightest and most affordable Surface Laptop. Surface Laptop Go 2 is the perfect balance of performance, style and value that runs all your essential apps and services. Available in a new Sage finish and powered by Windows 11, accomplish anything wherever you are with Surface Laptop Go 2.

Top Features and Benefits

- **Stylish, portable, and comfortable.** Work and play anywhere with Surface Laptop Go 2. Featuring modern design with a vibrant 12.4" PixelSense™ touchscreen and comfortable keyboard with a large, precision trackpad that helps you navigate, scroll, and select with ease.
- **More speed, long battery life, and Windows 11.** Do your best on Surface Laptop Go 2 with Windows 11, a faster 11th Gen Intel® Core™ processor, and all-day battery life ¹ to power through your day. Pick up where you left off with Instant On, and stay in the flow thanks to quieter, improved thermals that make it easier to focus.
¹ Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.
- **Secured sign-in, clear video, and rich sound.** Elevate your experience with secured sign-in, essential Microsoft 365 experiencesⁱ, and more intuitive browsing with Microsoft Edge. Plus, enjoy clear sound for music, movies and shows, connect over video calls with an improved HD camera, and easily connect to other devices and accessories with the ports you need.
Choose your perfect match. Surface Laptop Go 2 is available in new Sage, plus Ice Blue, Sandstone, and Platinum, all in a durable, cool metal finish.ⁱⁱ

^{iv} System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface Storage for more details.

^v This device does not contain user serviceable parts. Hard drive is only removable by an authorized technician following Microsoft provided instructions.

^{vi} Up to 13.5 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in March 2022 using preproduction Windows 11 software and preproduction configurations of Surface Laptop Go 2 Intel® Core™ i5, 128GB, 8 GB RAM Microsoft Surface® Edition devices. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.

^{vii} Testing conducted at Microsoft in September to December 2021 using pre-production devices and pre-production Windows 11 Software. Tested with the inbox SurfLink 39W PSU under controlled conditions with device in hibernate or off state. Device was powered on to desktop screen with default display brightness settings. Actual charge time will vary based on operating conditions. Measured at typical office ambient temperature of 23C.

^{viii} Subscription required (sold separately).

^{ix} Activation required. After your 1-month free trial, Microsoft 365 Family is \$99.99 per year. Credit card required. Cancel anytime to stop future charges. You are asked to provide credit card information to help ensure that you do not experience any interruptions with your service once your trial ends. Your credit card will not be billed until the end of the trial period. You can cancel any time during the trial period by clicking Turn off recurring billing in [My Account](#).

^x Activation required for 1-month trial of Xbox Game Pass Ultimate. Xbox Game Pass Ultimate one month trial accessible through [Xbox.com/Play](https://xbox.com/play). Credit card required. After first month, subscription continues automatically at \$14.99/month unless cancelled. See [terms](#). Not currently available in China.

^{xi} Requires license or subscription to activate and use.

^{xii} Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.

^{xiii} Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's [Service Guide](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.

^{xiv} Field Replaceable Units (FRUs) are components replaceable by Microsoft or a Microsoft Authorized Service Provider.

^{xv} Microsoft's Limited Warranty is in addition to your consumer law rights.
